The attached represents reactions of contractor audiences around the country who have heard our new Security Awareness Presentation called: "Soviet Espionage in Industry."

The presenter, [redacted] from our Physical Security Division lectured [redacted] He visited [redacted] facilities during a 90-day period (7 February to 6 May 1983) and briefed a total of [redacted] contractor personnel. In each visit, [redacted] met with key security and management executives to discuss the security problems unique to that contractor and to provide appropriate security education material. STAT STAT STAT STAT STAT

I am gratified at the number of senior officials who attended these presentations and who presumably endorsed it.

The Office of Logistics helped us pay the travel costs for this effort. It cost each of your offices about [redacted] A good buy. STAT

We intend to create a permanent assignment dealing with security awareness in industry and run it out of our Security Education Group.
